

War of the Worlds: The Live British

Radio Broadcast

Written by H. G. Wells

Original Radio Adaptation Written by Howard Koch

Adapted by Liam Alexandru

Our play is set in an alternative 1939.

In 1938 Orson Welles's radio adaptation of The War of the Worlds was mistaken for actual news reportage of marauding Martians sacking and looting New Jersey. The episode provoked a famous attack of mass panic, making it perhaps the most famous radio drama of all time.
